

# Ted Ma Introduction

How can we get people to perform at their best? Our guest speaker Ted Ma is here to help us answer that question.

Ted has been coaching leaders for over 18 years, having built an international sales team of over 6,000 independent agents. He has been featured in publications such as Kiplinger, USA Today, and the New York Times.

When he's not on stage, you may find Ted rappelling down waterfalls, ordering complicated coffee drinks, or cheering on the Golden State Warriors. He is here today to help us become better leaders. You're probably familiar with TED Talks. (*pause*) Today, you'll get to hear Ted talk.

Please join me in welcoming from the San Francisco Bay Area, speaker, author, and leadership strategist, Ted Ma.

Thank you Ted for that great presentation. Ted will be available to take selfies, answer questions, and sign books at the table in the back during the break.
