

Ted Ma Introduction

How can you bring out the best in yourself and in the people around you? Our guest speaker, Ted Ma, is here to help us answer that question.

Ted has been coaching leaders for over 20 years. In his previous career, he built and led a sales team of over 6,000 independent agents. His work has been featured in publications including USA Today, Kiplinger, and Inc.

When he's not on stage, you may find Ted rappelling down waterfalls, ordering complicated coffee drinks, or trying to keep up with his 2-year-old son. You're probably familiar with TED Talks, and today, you'll get to hear Ted talk.

Please join me in welcoming from Denver, leadership strategist, author, and elder millennial, Ted Ma.
